

EFT CAPITAL - Redefining Export Finance  
An innovative Export Finance solution for SME's

EFT CAPITAL - Redefine Export Finance for SME's

An intelligent Export Finance solution for SME's

Are you concerned about:

Buyer nonpayment?

Want to enter a new foreign market

Expand your Export sales in an existing one?

New Exporters and want to have Market intelligent

Sectors intelligent reports

No collateral to offer

The EFT CAPITAL - an intelligent export credit provider - exists to support and empower you to win more export sales in foreign markets, which leads to more jobs here at home.

**EFT CAPITAL - will cover up to 90% of losses to an export receivable resulting from the commercial and country risks such as:**

- Refusal of the buyer to accept goods after shipment.
- Cancellation of the contract arbitrarily by the buyer.
- Currency transfer restrictions of the buyer country.
- Expropriation by the government of the buyer.
- Insolvency of the buyer.
- Failure or refusal of the buyer to pay.
- War or civil disturbance in the buyer country.

At EFT, we know competing and getting export contracts in foreign markets can be challenging. That's why EFT export finance solutions are designed to take the stress out of exporting and give you the competitive edge with complete peace of mind.

More Export Finance  
More Customers  
More Export Sales - lead to  
More jobs and employment

We provide Pakistani companies with Export Finance solution that extends credit, protects against buyer nonpayment, and increases your working capital.

### **BENEFITS:**

Minimises political and commercial risks of buyer nonpayment (up to 90%)

Lets you extend attractive credit terms to foreign buyers (up to 120 days)

Increases your company's borrowing capacity and improves cash flow by assigning your foreign receivables to us

Allows you to cover one buyer or your entire portfolio

Makes funds available to fulfil your Export sales orders

“Lets come on board and allow EFT CAPITAL to expand your international business presence and enhance your Export sales”.
